

International Referees' Opinions on *JZUS*

- Dr. Frank Stomp, Wayne State University, USA** May 7, 2003
"... I think that this Journal is great, so that the research carried out in China can now also be read by people who do not speak Chinese."
- Dr. Martin Pircher, University of Western Sydney, Australia** May 13, 2003
*"I am impressed with the high level of technical content of your Journal and with the professional editing work."
"... As I have said before, I encourage you to continue the work which you have started. Your Journal is of high quality and the papers are of high standard, ... and your Journal deserves a better standard of paper."*
- Dr. Noboru Fujihara, President of Japan Branch of World Poultry Science Association, Japan** July 18, 2002
"... I was very surprised to know that your University has been publishing this kind of wonderful Journal in China. I am very much sure that this Journal could be indexed as one of the most interesting Journal in the world before long, ... so I am also very happy to see your Journal regularly in the future. I am really looking forward to receiving next issue of this Journal soon."
- Dr. James Ming Fang, MD, Harvard Medical School, USA** Aug. 29, 2002
"As an alumnus, it is my pleasure to help my university to achieve its goal. Please let me know if I can be more helpful in reviewing or editorial work for your Journal..."
- Dr. Xinyu Zhang, Clarkson University, USA** Aug. 23, 2002
"I am glad to do anything for the development of the Journal, as an alumni."
- Dr. Carl C. Zhang, University of Houston-Clear Lake, USA** Sept. 21, 2002
"I have just received an issue from your office. And it looks really good in quality as far as the areas of my expertise. I'll be certain to do the best of my part, as an alumnus, to improve the quality of the Journal. What I can do, or all of alumni of Zhejiang University currently at abroad can do, is two aspects: time dedication and monetary support to the quality of the Journal..."
- Dr. Werner Guggenberger, Technische Universitaet Graz, Austria** Aug. 26, 2002
"I wish you success with and a wide spread of your Journal."
- Dr. W.S. Wan Ngah, Universiti Sains Malaysia, Malaysia** March 25, 2003
"... I am also very appreciated that you published the whole list of the multi-national peer reviewers. It means a lot to the authors that you are maintaining the international standard of the article published in your Journal."
- Dr. Dario Casara M.D. Unita Operativa di Radioterapia, Italy** Aug. 23, 2002
"... I will push my co-worker Domenico to prepare an article for your growing Journal..."
